## **Mariners Class**

Parlor

This lecture-style class is open to all ages. We use the *The Present Word* published by the Presbyterian Church (U.S.A.) as our curriculum. This fall we will trace the stories of Genesis from God's creation of the universe through God's creation of a covenant people. The study is broken up into three parts: "God Created a People," "God's People Increased," and "God's people Re-created."

**Taught by Bill Downing**

## **Joshua House Class**

Room 222

Joshua's House is an inter-generational Sunday School class that focuses on the Scriptures and seeks to apply them to daily living. We are a discussion class that uses biblical topics to spark lively interaction. We will strive to gain understanding of God's call to each of us to evangelize seekers, edify believers and equip disciples.

**Taught by Mike Cunningham and George Tucker**

## **Spiritual Fitness**

218 & 219

For anyone in their late 20s or 40s or thereabouts, single, married, with or without kids. If you are a new Christian, new to WPC, or have been going to church for years, our class is a wonderful place to grow in your faith and develop church relationships. Join us this semester as we go through the Books of Ezra and Nehemiah, presented through the book *Life Lessons by Max Lucado*.

**Taught by Cezar Cervantez, Chris Clark and Amy Nelson**

## **GIFFT Class**

Room 224 & 225

Growing In Faith and Fellowship Together is a multi-generational class which endeavors to be true to the class name. Join us for a journey through the ancient world and a study that will include: supernatural interventions, astounding miracles, powerful preaching, breathtaking escapes, harrowing journeys, life-and-death decisions, courtroom dramas, thrilling rescues, action, mystery, and adventure...BUT also a larger story-behind-the-story of God at work in ordinary people...just like us! Be sure to join us for our new fifth-Sunday potlucks too!

**Taught by Steve Shanklin, Dwight Andrews and Don Jones**

## **College Class**

Room 221

This fall we will be having two class options every week. One option will be inductively going through the Book of Acts. The second option will be watching *Nooma* videos, which are short mind-stimulating videos that prompt discussion amongst the class. We usually go to lunch after class...so be sure to join us for that as well!

**Facilitated by Mike Whitson**

## **Young Adults Class**

Room 220

The Young Adult Class is designed for graduate students and young professionals in their twenties and thirties. We want to minister to the young adults of Westminster, regardless of whether they are single or married, have children or not. Our desire is to be a community of faith, encouraging one another, praying for each other, and investing in our relationships together. We want to study and pray about a specific passage as individuals during the week, and then come together on Sunday morning for a discussion of what God has revealed to us during our week of study. Some long-time members of this class will take turns facilitating the discussion each week. We hope to be a discussion-lead group, instead of a teacher-lead group. We want to reach out to young adults in our church, so if you want to participate in this community, please join us!

**Facilitated by Young Adult Class Members**

## **Joyful Believers Class**

FMC Downstairs Classroom

Joyful Believers is an adult Sunday School Class which studies books of the Bible—both Old Testament and New. We take the Scriptures line by line and discuss them in reference to our experiences and convictions as Christians in our world today. We have all ages of persons who attend this class on a regular basis. We are anxious to begin the new Fall season as we begin with the short book of James from the New Testament. You will learn more about the books of the Bible than you would ever expect and have fun sharing and discussing how the Word weaves itself into the daily fabric of a Believer's life. If you are anxious to immerse yourself in God's Word and how it speaks to us today, we are anxious to have you come and share our learning experience. We meet on the first floor of the Family Ministry Center and we have coffee and cookies every Sunday. Please come and join us and bring someone along!

**Taught by Gary Terrell and Taylor Etchison**
